

ILS LEDA INTENSIVE COURSE 2014

HOW TO ENHANCE TERRITORIAL ECONOMIC SUSTAINABLE DEVELOPMENT: PRACTICES AND TOOLS

The [ILS LEDA Programme](#) *International links and services for local economic development agencies* - launches the Intensive Course 2014 *How to enhance territorial economic sustainable development: practices and tools*.

The 30 hours course on LED with lectures, bibliography suggestions, tests and games, working groups, and tutorship, will be held from 22 to 26 September 2014, in the [Phlegrean Fields](#) one of the most important sites of the archaeological and cultural heritage of South Italy (30 minutes far from Naples)

This course is part of numerous ILS LEDAs training programs. Among them it is worth mentioning the last webinar carried on for 6 Local Economic Development Agencies in Dominican Republic, for improving their management capacities

ILSLEDA organized this course in collaboration with the [Local Economic Development Agency of Morazán](#) (El Salvador).
