

## KIP PAVILION AT EXPO 2015

### SUMMER SCHOOL ON LOCAL TOURISM AND HUMAN DEVELOPMENT

From 10 to 14 June 2015, a Summer School on *Tourism and local human development: attractive territories for a sustainable world* will be held in the KIP Pavilion at Expo.

This initiative is organized by CIELS (Higher School for Language Mediators) and the Società Umanitaria of Milan, in collaboration with the KIP International School. The Summer School coordinated by Professor Nicolò Leotta, aims to address the issue of how tourism can be an extraordinary instrument to promote high quality development when it images use of innovative methods.

During the Summer School a *honoris causa* degree on Sciences of Linguistic Mediation will be delivered to the President of Bolivia, Evo Morales who will be present on Saturday, June 13.
